The news segment features the latest mental health-related information and stories. In this month's Message from the Director segment, Dr. Southard will talk about immigration and how it may affect the well-being and mental health of the

children of immigrants. This month's final segment, Walk the Talk, is a one-on-one discussion with Tylana Thomas. Thomas discusses her journey of hope, wellness and recovery after being diagnosed with post-traumatic stress disorder and depression. She shares how she turned her life turned around to save herself and her family.

As part of LACDMH's anti-stigma and social inclusion campaign, *Meeting of the Minds* reinforces the Department's mission of *Hope, Wellness and Recovery*. Archived shows of *Meeting of the Minds* will be available on the LACDMH website as well as on the LACDMH Facebook and YouTube pages.
